TO AVOID PAYMENT OF TARIFF.

Tobacco Heading for Canada Before the Dingley Bill Becomes a Law.

Colonel Archibald, of the Enterprise Tobacco Company of Granby, Canada, one of the largest tobacco buyers in America, has been in this city for some days purchasing large quantities of the weed for shipment to Canada.

It is Colonel Archibald's purpose to get as much tobacco as possible across the Canadian line before the Dingley tariff bill becomes a law, and he has contracted with the Norfolk and Western railroad for the rapid transportation of the tobacco to Norfolk, where it is promptly loaded on ships. Already two special trains loaded with fine-grained tobacco consigned to Canada, have left here, and Colonel Archibald is still buying. His presence here has made quite a boom in tobacco circles.

Royal Hand Bell Ringers To-Night.

The Royal Hand Bell Ringers of London, England, will give the closing entertainment of the Star Course in the Association Hall to-night at 8:15 o'clock. When it is remembered that the company contains exactly 600 seats, and that 450 of these belong to season ticket holders, who purchase their tickets last November, the Royal Hand Bell Ringers will be greeted by a large and enthusiastic audience. Last evening there were only about 100 seats that remained untaken by season ticket holders or others.

In order to increase the efficiency of the course, and to accommodate some who did not care to purchase season tickets, the committee placed single admissions on sale this year.

The Royal Hand Bell Ringers have appeared on the leading courses of the country, and over and over again on a number of them.

Cuban War Scenes.

"On to Victory or Death" will be the scene under the auspices of the Sons of Veterans. Mr. J. H. B. Stuart, will command the Cuban army, and Captain Minette Folkes will personate General Weyler, the commander of the Spanish forces in the island of Cuba.

A telling feature of this scene will be a snap-shot view of the Cuban sympathizers, while the Cuban and Spanish armies march on the island.

So great is the interest of the Sons that all are in sympathy with the Cubans, and it has been with some difficulty that they have organized the Spanish army.

The building will be handsomely decorated by Mitteldecker in the most elaborate colors, which will add greatly to an evening, which will be most instructive and entertaining.

Was a Prominent Virginian.

Mr. George Kennon, who died in Denver, Col., as announced in the Dispatch on Tuesday, was a distinguished young Virginian. He was a civil engineer of great prominence.

His grandfather was Dr. George Terry Kennon, United States Navy, who, on the one side, and Dr. Edward Fisher, on the other. He was also a nephew of Commodore Beverly Kennon, United States Navy. His father was the late William Henry Kennon, tobacco inspector, at Spokee Warehouse, in city of Richmond, for a great number of years.

His friends, and the friends of his father, will be greatly distressed at the sad announcement.

Illustrations Potentate to Visit Acca Temple.

Mr. Harrison Dingman, illustrious Imperial Potentate of the United States and North America, will pay an official visit to the Shrine in this city, Saturday night, April 24th.

In his train will be the following more or less important potentates: Harry Standford, of Alma Temple, Washington; George W. Starr, of Mount Baldmore; P. C. Shaffer, of Leesville; Charles Neil Robinson, of Beni Kedem; Charlotte N. C. and about one hundred pilgrims from all over the country, on hand from Norfolk and Portsmouth.

Fortune-Seeking Emigrants.

Many a poor family that seeks the western fields in the hope of winning a fortune, is preserved from that insidious foe of the emigrant and frontiersman—chills and fever—by Swain's Panacea.

So effectively does that incomparable medicinal defense fortify the system against the combined influence of a malarious atmosphere and miasmatic water, that protected by its power, the miner, or the hunter, is enabled to go forth safely and conquer the danger.

Swain's Panacea cured him permanently of all his ailments, and all of his hair. It is the only cure for this terrible disease.

WILL BE NO MEETING THIS YEAR.

Epworth Leaguers to Postpone Their Conference Until 1898.

There will be no State Conference of Epworth Leaguers this year.

This has been decided upon, and by President E. H. Rawlings, communicated to the members of the league in an interesting address last issued. After setting forth that the State Council has decided to postpone the annual meeting of the conference until 1898, the address goes on to say that there was a feeling at the conference in Lynchburg among some of the leaders in the league that to hold a conference every year would be too often. That feeling has deepened until it has become a conviction in the minds of many, so that the council will probably recommend a change in the constitution, providing for biennial instead of annual meetings. That fact, however, would not have led to postponement if there had not been other and special reasons for it. As is well known, the international conference occurs at Toronto the 12th of July, and that there should be no conflict, it was provided by the Council that the Norfolk Conference should be held the week before, and this by special excursion from Norfolk, those wishing to attend the international might do so on the one trip.

In conclusion, Mr. Rawlings says: "Norfolk takes the conference in 1898, and promises the greatest meeting of any kind this royal old City of the Sea has ever seen."

MR. NETHERWOOD DISCHARGED.

Judge Wickham Hands Down His Decision—Other County News.

In the Henrico County Court yesterday Judge T. Ashby Wickham handed down his decision in the case of Contractor James Netherwood, who was charged with desecrating the grave in Oakwood Cemetery of Mrs. J. B. Quinn. Mr. Netherwood was fined \$25 by Magistrate Lewis for this offense, but took an appeal. At the last term of the court the jury, after hearing the evidence, disagreed. Mr. Netherwood then submitted the case to Judge Wickham in chambers, and his Honor discharged him. Charles Brown, charged with assaulting and beating M. T. Thompson, was before Justice Lewis. The Magistrate fined the accused \$5 and costs, and placed him under \$100 bonds to keep the peace for six months.

THE CASE OF THE TEN SMALL BOYS.

The case of the ten small boys arrested on complaint of Mrs. W. P. Quinn was postponed by Justice Quinn. Mr. Quinn says the boys trespassed on her grounds, and pulled down the fence around her home, on Chelsea Hill.

CATARH OF THE STOMACH.

A Pleasant, Simple, But Safe and Effective Cure for It.

Catarh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloated times with sour or watery risings, a formation of gases, causing pressure on the heart and lungs, and difficult breathing; headaches, flidie appetite, nervousness, and a general play-out, languid feeling.

There is often a foul taste in the mouth, coated tongue, and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrh condition will have disappeared.

According to Dr. Harrison, the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aspicin, Pepsin, a little Nux, Golden Seal, and fruit acids. These tablets can now be found at all druggists under the name of Stuart's Dyspepsia Tablets, and not being a patent medicine, can be used with perfect safety, and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Bocher, of Chicago, writes: "Catarh is a local condition, resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom, passing backward into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but to-day I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find fitting words to express my good feeling. I have found fresh appetite, and sound sleep from their use."

Stuart's Dyspepsia Tablets is the safest preparation, as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, nervous stomach, heartburn, and bloating after meals.

Send for little book, mailed free, on stomach troubles, by addressing Stuart Company, Marshall, Mich. The tablets can be found at all druggists.
